

OUR PERIO PLAN

Our aim is to provide high quality care and treatment in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping abreast of advances in modern dentistry. To ensure we maintain the high standards our patients have come to expect it is becoming increasingly important for us to accurately match the number and the needs of our patients to the resources we have available.

Research show that preventive dentistry delivered on a regular basis greatly reduces the risk of dental disease and provides a platform for a lifetime of improved oral health. We encourage such an approach and with this in mind, we have joined DPAS Limited to design a periodontal plan. This plan will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan. The plan will provide advantages

both to you and to us. It will allow us to plan your periodontal care more effectively and provide the best chance of keeping you dentally fit. The advantage for

you is that you will be regularly monitored to avoid any periodontitis

(gum disease) worsening and you will have the peace of mind

that your periodontal condition will be monitored by

our hygienist for any signs of deterioration over

time by convenient monthly payments.

Our plan also provides worldwide

Supplementary Insurance for

dental emergencies or

dental injuries whilst

away from home

and abroad (see

overleaf).

OUR BENEFITS

- all your preventive dental care is included
- payment by convenient monthly Direct Debit, allowing you to budget

WHO IS OUR PLAN FOR?

Our plan is designed for patients who wish to attend the surgery on a regular basis and have peace of mind that their periodontal care is maintained.

WHAT DOES OUR PLAN INCLUDE?

Our Perio Plan costs £24.40 per month and covers:

- four hygienist appointments per year including scale and polish and periodontal advice
- two dental health examinations per year
- routine x-rays as clinically necessary
- routine oral cancer screening
- diet and oral hygiene advice
- membership card with 24 hour helpline numbers for dental emergencies at home or abroad
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

The monthly plan cost includes the charges for management and administration payable by you to DPAS.

Treatment not covered by this plan can be paid for separately.

HOW DO YOU JOIN OUR PLAN?

There is no need for an assessment. Joining is very simple. All you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS.

In addition to your first monthly payment, an initial registration fee of £10 per person will be payable by you to DPAS and will be included in your first Direct Debit payment.

If you choose to leave the plan for any reason you can do so by simply giving us one month's notice.

WHAT HAPPENS IN AN EMERGENCY?

You will have access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.

If you have any questions about our plan, please contact our reception team who will be happy to provide further information and guidance.
