

South Devon Dental Care Plan

Our aim is to provide high quality care and treatment in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping abreast of advances in modern dentistry. To ensure we maintain the high standards our patients have come to expect it is becoming increasingly important for us to accurately match the number and the needs of our patients to the resources we have available.

With this in mind, we have joined with DPAS Limited to design a dental plan to reward loyal patients. This plan will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan. The plan will provide advantages both to you and to us. It will allow us to plan your dental care more effectively and provide the best chance of keeping you dentally fit. The advantage for you is that it should reduce the need for future treatment and you will have the peace of mind that your regular dental care will be covered by convenient monthly payments. Our plan also provides worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf).

All levels of the plan benefit from:

- 2 check ups per year with routine cleaning
- all necessary dietary and oral hygiene advice
- all necessary fluoride applications and fissure sealant
- all necessary small radiographs
- extractions
- discount on treatment fees
- access to a 24 hour dental emergency helpline 365 days per year
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

Please select the level of cover to suit your needs:

Level 1: **£18.40 Per month**

- 30% discount on root fillings
- 30% discount on laboratory based treatments.

What happens in an emergency?

You will have access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.

Terms within this brochure are subject to change without notice.

What is excluded from our plan?

Although non-routine services are available from the practice, some items fall outside the scope of the plan and are not covered by the monthly payment namely:

- any dental problems identified at your initial assessment
- referrals to specialists
- cosmetic dentistry
- implants
- orthodontics
- attrition
- large radiographs.

Treatment not covered by this plan can be paid for separately.

How do you join our plan?

Joining is very simple. All you have to do is to attend an assessment to ensure that you are dentally fit and your dentist will advise you which level of plan would be suitable for your dental care needs. Then you complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS.

In addition to your first monthly payment, an initial registration fee of £10 per person will be payable by you to DPAS and will be included in your first Direct Debit payment.

If you are transferring to this practice having been a member of a dental plan at another practice, you will be exempt from the initial examination and the registration fee. Simply complete a registration form for us and Direct Debit mandate and authorisation form for DPAS.

Any questions?

If you have any questions about our plan, please contact our reception team who will be happy to provide further information and guidance.
