

THE DENTAL CARE PLAN FOR CHILDREN

Our aim is to provide high quality care and treatment in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping abreast of advances in modern dentistry. Tooth decay is one of the most common preventable diseases and to prevent it requires a commitment of time and effort. With the correct habits, there is no reason why your child should not have healthy teeth for life. Research shows that preventive dentistry greatly reduces the risk of dental disease in children and provides a platform for a lifetime of improved oral health.

Our plan for children focuses on the delivery of preventive dentistry on a regular basis, encouraging good diet and oral health habits in your child's formative years and thereby minimising the need for fillings and extractions.

When you enrol your child onto our plan, which will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan, you will have the peace of mind that all your child's preventive dental care will be covered by convenient monthly payments. Our plan also provides worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf) – essential cover for the rough and tumble of childhood.

YOUR CHILD'S BENEFITS

- preventive care for long term dental health
- payment by convenient monthly Direct Debit, allowing you to budget
- early identification of dental problems to prevent pain, discomfort and inconvenience
- appointment times to suit your child whenever possible
- considerable savings on treatment
- access to a fun and interactive children's dental health web site: www.gr8smileclub.co.uk
- access to a 24 hour dental emergency helpline 365 days per year when away from home
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

WHO IS OUR PLAN FOR?

Our plan is designed for those parents or guardians who wish their children to participate in a regular preventive care programme and to budget on a monthly basis.

WHAT DOES OUR PLAN FOR CHILDREN INCLUDE?

Maintenance Plan: Age 6-17 years inclusive is £6.99 per month and covers:

- two dental health examinations per year
- oral hygiene instruction as necessary (up to six monthly)
- routine x-rays as required
- discounts on treatment fees including cosmetic treatments (normal fees are 20% more than the preferential fees given to plan members)
- membership card with 24 hour helpline numbers for dental emergencies at home or abroad
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

The monthly plan cost includes the charges for management and administration payable by you to DPAS.

Treatment not covered by this plan can be paid for separately.

EXCLUSIONS

This plan does not include fees associated with implants, orthodontics, additional periodontal (gum) therapy, cosmetics or treatment requiring referral to consultants and specialists.

HOW DO YOU ENROL YOUR CHILD ONTO OUR CHILDREN'S PLAN?

After an initial examination with the dentist, all you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS, on behalf of your child. In addition to your first monthly payment, an initial registration fee of £10 per child will be payable by you to DPAS and will be included in your first Direct Debit payment.

If you choose to cancel your child's plan for any reason you can do so by simply giving us one month's notice.

WHAT HAPPENS IN AN EMERGENCY?

If your child has an unexpected emergency, such as severe toothache, you should ring our emergency number 01509 212170. If your child needs to see a dentist outside normal working hours, all but £15 of the call out fee is reclaimable through the Supplementary Insurance (see overleaf).

However, if you are away from home, membership of the plan gives your child access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.

ANY QUESTIONS?

If you have any questions about our children's plan, please contact our reception team who will be happy to provide further information and guidance.

Terms within this brochure are subject to change without notice.
