

OUR PREVENTIVE MAINTENANCE DENTAL CARE PLAN

Our own independent plan has been designed to allow us to maintain a high standard of dental health for you and your family. Our objective is based on a preventive approach, minimising the need for treatment. It includes monitoring and advice to help control dental disease and give you a healthy mouth and smile.

When you join the plan, which will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan, you will have the peace of mind that your preventive dental care will be covered by convenient monthly payments. Our plan also provides worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf).

YOUR BENEFITS

- preventive care for long term dental health
- payment by convenient monthly Direct Debit, allowing you to budget
- early identification of dental problems to prevent pain, discomfort and inconvenience
- appointment times to suit you whenever possible
- large discounts on most treatment fees
- access to a 24 hour dental emergency helpline 365 days per year
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

Preventive Maintenance Dental Care Plan is £14.44 per month and covers:

- regular detailed dental examinations
- two maintenance scale and polishes per year
- routine x-rays as required
- routine oral cancer screening
- large discounts on normal private fees for treatments* including cosmetic treatments (normal fees are 20% more than the preferential rate given to plan members)
- membership card with 24 hour helpline numbers for dental emergencies at home or abroad
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

* please note this does not apply to implants, orthodontics or treatment requiring referral to consultants or specialists.

The monthly plan cost includes the charges for management and administration payable by you to DPAS.

Treatment not covered by this plan can be paid for separately.

HOW DO YOU JOIN OUR PLAN?

After an examination with your chosen dentist all you will need to do is complete a registration form for us and Direct Debit mandate and authorisation form for DPAS.

In addition to your first monthly payment, a one-off registration fee of £10 per person will be payable by you to DPAS and will be included in your first Direct Debit payment.

If you choose to leave the plan for any reason you can do so by simply giving us one month's notice.

WHAT HAPPENS IN AN EMERGENCY?

If you have an unexpected emergency, such as severe toothache, you should ring our emergency number 01509 212170. If you need to see a dentist outside normal working hours, all but £15 of the call out fee is reclaimable through the Supplementary Insurance (see overleaf).

However, if you are away from home, membership of the plan gives you access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English-speaking dentist to assist you.

ANY QUESTIONS?

If you have any questions about our plan, please contact our reception team who will be happy to provide further information and guidance.

Terms within this brochure are subject to change without notice.
